Auditor's Report

January 31, 1955

Board of Selectmen
Cushing, Maine

Gentlemen:

In accordance with Chapter 16, Section 3, Revised Statutes of 1944, and at your request, we have audited the records of the Town of Cushing for the period January 15, 1954 to January 15, 1955.

The examination was made in accordance with generally accepted auditing standards that pertain to municipal accounting. Audit analysis was on a basis consistent with that of the preceding year and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled.

Exhibits and Schedules incorporated in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data included in the report may prove of interest to you, all of which is respectfully submitted.

Very truly yours,

SAWYER & SAWYER

By A. F. Sawyer

Accountants and Auditors

COMMENTS

Town of Cushing

January 15, 1954 to January 15, 1955

An audit has been completed of the financial records of the Town of Cushing for the year ended January 15, 1955.

Scope of Audit

This audit included an examination of the records maintained by the Selectmen, Treasurer, Tax Collector and Assessors.

While all transactions were not examined in detail, such test checks were made as seemed appropriate. All asset and liability accounts were reviewed and direct verification was made to the extent deemed necessary.

Assets

The cash balance as reflected by the records of the Treasurer at the year's end was verified by reconciliation of the bank balance with the statement furnished by the depository bank.

The record of collections made by the Tax Collector was reviewed and it was ascertained that these collections had been deposited with the Town Treasurer. The Collector's copies of the excise tax receipts were added and the total so obtained was found to be in agreement with the amount shown by the Treasurer's records.

All tax lien accounts were checked and the resulting individual balances supported by inspection of the liens on file. These liens had been properly recorded with the Register of Deeds.

The tax acquired account represents properties taken over by the town through expired tax liens.

The securities and savings bank books representing the investment of trust funds were examined in detail and it was ascertained that the funds were legally invested and that all income had been accounted for. Expenditures appeared to be proper and in conformity with the requirements of the trusts.

Liabilities

The only recorded liability of the Town was $18.20 due the Director of Internal revenue for withholding taxes. This amount is being held in the General Fund pending proper date of settlement.

Deferred Revenue

The 1955 Excise taxes are prepaid in the amount of $241.47 and are being carried forward to the 1955 municipal year for proper allocation.

Reserve for Authorized Expenditures

This account represents the unexpended balances in the appropriation accounts carried forward to the ensuing year. The detail is shown on exhibit D.

Surplus

At the close of the books January 15, 1955 the Town had a surplus of $6,909.93 as compared to $7,240.47 at the close of books January 15, 1954.

General

Vouchers and payrolls were examined in part and those examined appeared to be proper charges to the accounts involved.

All accounting records examined were found to have been kept in an efficient and accurate manner.

It is believed that the accompanying balance sheet and supporting statements fairly present the financial position of the Town at January 15, 1955 and the result of its operation for the year then ended.

Town Clerk of Cushing, Me.

Report of The School Department

To the Superintending School Committee and Citizens of Cushing:

I am submitting to you my third annual report as your superintendent of schools.

This year has been our second year in our new building. Enrollments have remained at a high level with a noticeable increase at the lower grade levels. A survey of incoming pupils for the next few years indicates that this problem will increase in years to come. At the present the pupil-teacher load does not lend itself to good classroom instruction. The problem is one which warrants your immediate attention.

The appropriations which you made for repairs and equipment have enabled your School Committee to replace old worn out furniture with modern desk units. There were also many worn out desk tops replaced with new tops. The boiler room ceiling has been completely fire-proofed to insure you of a savings in fire insurance rates for years to come.

I wish to commend the Cushing Town Club, the Save The Children Federation, and many others who have made it possible for the boys and girls to have available the fine playground equipment. I trust further work will be done to make the playground areas better places to take part in outdoor activities.

For your convenience in studying the recommendations for next year's school budget, you will find a summary of these following the school financial report.

I wish to take this opportunity to thank each and every one who have contributed to the success of this past school year.

Respectfully submitted,

KEITH L. CROCKETT

Superintendent of Schools

Recommended School Budget 1955-1956

To the Citizens of Cushing:

I am presenting, herewith, for your consideration the proposed school budget for the fiscal year 1955 covering anticipated revenues, anticipated expenditures, and the anticipated amount to be raised by taxes for school purposes.

In order to study your budget in detail, I am listing the school appropriations of last year in contrast to the proposed budget.

Appropriations 1954	Proposed Appropriations 1955
Total school	$ 9100 00 $ 9550 00
Repairs and Equipment	1000 00 600 00

Anticipated expenditures 1955-1956

Teaching	$ 5740 00
Fuel	450 00
Conveyance	2950 00
Tuition	3647 16
Textbooks	350 00

Supplies	550 00
Insurance	35 00
School Committee	65 00
Supervision	463 44
Office Secretary	100 00
	$14350 60

Anticipated Revenues

Balance 1954	$ 1064 15
State School Fund	3738 00
	$ 4802 15
Recommended appropriation	$ 9550 00
Repairs and Equipment	600 00

Explanations

Teaching

This recommended sum, requested to care for required raises and sick leave, will also enable your Committee to alleviate the teaching load and insure your children of a more efficient time allotment to individual needs by adding a teacher to the staff.

Fuel

This marks a slight decrease from the previous year's request.

Conveyance and Janitor

This represents the contract figure under the present bus system.

Textbooks

I recommend a slight increase in order to care for normal turn over and to meet our extended long range program.

Supplies

I recommend the same figure as last year's request.

Insurance

This item is for liability insurance which is carried each year.

Tuition

This is based on the students attending school at Thomaston and reflects little change in numbers or cost.

Supervision and Office Secretary

The five towns composing Union No. 72 are being requested to make a sum of money available to make it possible for your Superintendent to have secretarial help during the days when school is in session.

General Comments

The total anticipated appropriations for this year are a very slight increase over last year's requests, however, they will do much to insure your future citizens of a better opportunity for a broader school education. Under our present day system no teacher can do all she wishes to do to reach those who need help. A survey conducted recently indicates that an increase in incoming classes will make it necessary to take immediate steps to meet pupil needs. The foresight on the part of your School Building Committee has assured you of ample room to take care of this increased enrollment.

PUBLIC HEALTH NURSING

ANNUAL REPORT - 1954

Twelve visits were made to Cushing during the past year. Nursing service has consisted of home visiting, work on school health programs and contacts with doctors, clinics and hospitals in the follow-up of specific health problems of individuals. Thirty-two visits were made in homes, six at school.

Students in grades one, four and eight are now examined each year by a physician. There were seventeen children done this year by Dr. Benson.

Protection against smallpox, whooping-cough, diphtheria and tetanus was offered to all children needing this and your health officer immunized eleven school and preschool children. Some children in town as yet have not received this protection against these dreaded diseases. Parents should realize their responsibility for thus protecting their infants and young children and not wait for disease to strike.

Follow-up visits were made to families where there have been expectant mothers, infants or children having physical defects. Contacts and patients with arrested tuberculosis have been visited.

You people of Cushing have shown that you value a community health program. I have found that both town officials and members of the Health Committee under the leadership of Mrs. Reino Saastamoinen have given real service to the community and me. To all I express my appreciation as your public health nurse.

MRS. ADA W. AMES

Public Health Nurse
Department of Health and Welfare

AN ACKNOWLEDGEMENT

The Town wishes to take this opportunity to express its gratitude to Mr. and Mrs. Reino Saastamoinen for the gift of land where the New Central School is located.

The Town wishes to express its appreciation to Mrs. Romona Woodbury who gave the land used to straighten the Hawthorne Point Road.

Town Warrant

To Edward Killeran, a constable of the Town of Cushing in the County of Knox:

GREETINGS:

In the name of the State of Maine you are required to notify and warn the inhabitants of said town of Cushing qualified by law to vote in town affairs to assemble at the Grange Hall on the 21st day of March A. D. 1955 at seven o'clock in the evening to act on the following articles to wit:

Article (1) To choose a moderator to preside at said meeting.

Article (2) To choose a town Clerk for the ensuing year.

Article (3) To act on the report of the Municipal officers.

Article (4) To choose Selectmen, Assessors, Overseers of the poor and Treasurer.

Article (5) To choose a member of the School Committee for three years.

Article (6) To choose one or more Road Commissioners.

Article (7) To choose a Tax Collector and vote his compensation.

Article (8) To choose all other necessary town officers.

Article (9) To see what sums of money the Town will vote to raise and appropriate for the following purposes.

(a) For Schools including teaching, fuel, conveyance, tuition, textbooks, supplies, insurance, school committee, supervision, and office secretary.

(b) For the repairs of Roads and Bridges.

(c) For the Support of the Poor.

(d) For Aid to Dependent Children.

(e) For Snow Removal.

(f) For the repairs of School Buildings.

(g) For Town Officers.

(h) For Superintendent of Schools.

(i) For Incidentals.

(j) Fires.

Article (10) To see what sum the town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 44 and 49, Chapter 23, Revised Statutes 1954.

Article (11) To see if the town will vote to raise and appropriate the sum of fifty dollars ($50.00) for public health nursing in Cushing, said sum to be expended by the State Bureau of Health, for local service.

Article (12) To see if the Town will vote to raise and appropriate the sum of ten dollars ($10.00) to decorate the graves of war veterans in the town of Cushing on Memorial Day.

Article (13) To see what sum the town will vote to pay for the collection of the excise tax.

Article (14) To see if the Town will vote to authorize the selectmen in behalf of the town to sell and dispose of any real estate acquired by the town for the non-payment of taxes thereon at such terms as they may deem advisable, and execute quit claim deeds for same.

Article (15) To see if the town will vote to authorize the selectmen and treasurer to hire money necessary for town expenses in anticipation of taxes.

Article (16) To see whether or not the town will vote to raise and appropriate the sum of twenty-five ($25.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with provisions of Chapter 91, Sections 108, of the Revised Statutes of 1954.

Article (17) To see what sum of money the town will vote to raise and appropriate for Civil Defense or take any action regarding the same.
(Amount recommended by Office of Civil Defense: Two hundred and fifty dollars ($250.00)

Article (18) To see if the town will raise and appropriate the sum of fifty dollars ($50.00) for examination of school children.

Article (19) To see if the town will vote to raise and appropriate Two thousand, two hundred, seventy-six dollars and thirty-one cents ($2,276.31) for the third payment on the new school building due prior to the first day of December 1955.

Article (20) To see if the town will vote to accept ($200.00) for the perpetual care of the William Norton lot in the Norton Cemetery.

Article (21) To see if the town will vote to accept ($200.00) for the perpetual care of the Elijah Norton lot in the Norton Cemetery.

Article (22) To see if the town will vote to accept ($200.00) for the perpetual care of the Darius Norton lot in the Norton Cemetery.

Article (23) To see if the town will vote to accept ($200.00) for the perpetual care of the Isaac Norton lot in the Norton Cemetery.

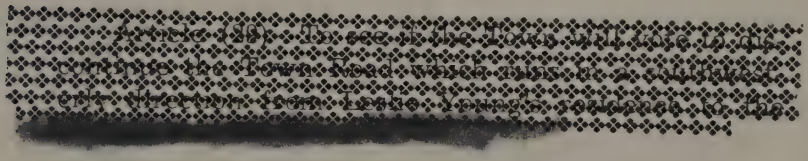

Article (24) To see if the Town will vote to raise and appropriate the sum of ($113.00) dollars for the Knox County General Hospital.

Article (25) To see what action the town will take on the reports of the fire engine and the building code committees.

Article (26) To see what sum of money the town will vote to raise and appropriate to carry on the improvement of Stones Point road, widening, graveling, and tarring the road as far as whatever funds that are appropriated will allow.

Article (27) To see if the town will vote to raise and appropriate the sum of ($25.00) for upkeep of the Lower Town and Pleasant Point Cemetery.

Article (28) To see if the Town will vote to discontinue the road which runs in an easterly direction from Howard Hunt's driveway to the Cushing Road.

Article (30) To see if the Town will vote to grant permission to the Selectmen to purchase new Snow Removal Equipment.

The Selectmen give notice that they will be in session for the purpose of revising and correcting the list of voters at the Grange Hall at six o'clock in the evening of the day of said meeting.

Given under our hands this 16th day of February.

Auditor's Report

January 31, 1956

Board of Selectmen
Cushing, Maine

Gentlemen:

In accordance with Chapter 91, Section 142, Revised Statutes of 1954, and at your request, we have audited the records of the Town of Cushing for the period January 15, 1955 to January 14, 1956.

The examination was made in accordance with generally accepted auditing standards that pertain to municipal accounting. Audit analysis was on a basis consistent with that of the preceding year and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled.

Exhibits and Schedules incorporated in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data included in the report may prove of interest to you, all of which is respectfully submitted.

Very truly yours,

SAWYER & SAWYER
By A. F. Sawyer
Accountants and Auditors

COMMENTS

Town of Cushing

January 15, 1955 to January 14, 1956

An audit of the financial records of the Town of Cushing has been completed for the municipal year ended January 14, 1956.

The audit included an examination of the financial records which were maintained by the town officers. The examination consisted of a review of cash transactions as well as an analysis of available funds and expenditures and the results are incorporated in the following text, exhibits and schedules pertaining to the fiscal affairs of the town.

Assets

The cash balance of $7,757.10 was verified by reconciliation of the bank statement furnished by the Thomaston National Bank of Thomaston, Maine, and actual count of cash on hand.

Other assets including taxes, tax liens and tax acquired property were reviewed. Unpaid accounts were reconciled with the balances shown on the records of the Selectmen.

Liabilities

The only recorded liability of the town amounted to $77.80 which represents withholding tax deductions which are held in the general pending proper date of settlement.

Deferred Revenue

The deferred revenue totaling $584.03 represents 1956 excise tax collections which are being carried forward for future allocation by the townspeople.

Reserves and Surplus

The examination of the departmental shows a total amount of $1,776.12 (Exhibit D) representing various account balances which are carried forward to the ensuing year.

The unappropriated surplus of the town amounted to $6,892.69, a decrease of $517.24. This change was occasioned principally by abatements of previous years' taxes, appropriations to departmental accounts less excise taxes and overlay.

Trust Funds

An examination of the various trust funds held in trust by the town revealed that the total amount of trust fund principals was $6,575.00 and unexpended income amounted to $866.31. Income for the year totaled $167.96. Expenditures amounted to $687.00. The principals and income of these funds were invested as follows:

U. S. Savings Bonds	$6,500.00
Time Deposit	941.31
	$7,441.31

General

From an analysis of the Treasurer's receipts it was determined that all monies deposited and cash on hand were in agreement with the total recorded receipts.

It was ascertained that all disbursements had been made by check and were supported by properly authorized warrants issued by the Selectmen.

Scope of Audit

Count of cash was made and records checked to determine the accuracy of recording cash transactions. Receipts, vouchers and canceled checks were examined for a selected period and major increases or decreases in revenue or expenditures over previous were explored. Excise tax collections were verified by examination of the copies of the receipts retained by the collector.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting information fairly present the financial position of the town at January 14, 1956, and the result of its operations for the year then ended.

Portions of Slash Disposal Law

Slash and brush which result from cutting of forest growth must be disposed of within 50 feet of any public highway (this means any road which is maintained with public funds). The distance is measured from the edge of the pavement closest to the cutting.

The best way to remove brush is to haul away, chip, or burn it, but if burned a permit must first be obtained from the town forest fire warden.

For detailed interpretations, reference should be made to Chapter 36, Section 83 and 86 of the Revised Statutes, 1954.

Report of the School Department

To the Superintending School Committee and the Citizens of Cushing:

I am submitting to you my fourth annual report as your superintendent of schools.

Since opening the new building, three years ago, there has been an increase in the number of pupils attending our school. When school opened in September Mr. James Conners was engaged as principal and teacher of grades 6, 7 and 8. The addition of another member to the staff has made it possible to alleviate the overcrowded conditions which existed when two teachers were employed. You are fortunate that room had been provided in the new school for such an emergency. Under the able leadership of Mr. Conners, Mrs. Stone, and Mrs. Burton notable pupil growth and progress has been noted.

During the past year the Cushing Town Club has been most active in providing for extra equipment at the school. The help which this club has given to the milk program has made this program one which makes for a better school lunch for the children at school. The children have also contributed to a better school program by raising funds for the purchase of a movie projector at the school.

During the past summer the sun visor was given a coat of paint. Several new desk and chair units were purchased for the upper grades. Minor repairs and changes were made in the boiler room. These were made possible by your support of the budget item under repairs and equipment.

For the past few months you have been engaged in discussions concerning the possibility of an area high school which would include the Towns of Thomaston,

Warren, Friendship, and Cushing. The nature of the increasing numbers which are entering our school should warrant your careful study of this problem. In the nearby towns the increasing elementary enrollments, which will reach the high school level in the very near future, may force those respective towns to exclude such towns as ours from partaking of the benefits of a high school education. You should also bear in mind that a tuition basis enrollment could mean a sizeable increase in this item; as evidenced by the sharp increase of this item over the past few years. Every available data should be carefully studied by you in order that you may make a decision which will best fit your needs.

Your school budget for 1956 reflects a sharp increase over your past school budgets. This increase is due to the following factors: (1) An added person to the teaching staff (2) A substantial increase in the tuition rate at the high school level (3) A substantial decrease in State School Subsidy brought about by the revaluation of town property from the State level. For the purpose of studying the anticipated budget you will find listed after the school financial report a breakdown of the 1956 anticipated budget.

At this time I wish to thank all who have in any measure contributed to the success of the past school year.

Respectfully submitted,

KEITH L. CROCKETT,
Superintendent of Schools

Balance	189.47

Recommended School Budget for 1956

To the Citizens of Cushing:

I am presenting, herewith, for your consideration the proposed school budget for the fiscal year 1956 covering anticipated school revenues, anticipated expenditures, and the anticipated amount to be raised for school purposes.

Anticipated Expenditures

Teaching	$ 8,200.00
Janitor	450.00
Fuel	450.00
Conveyance	3,200.00
Tuition	4,626.76
Textbooks	350.00
Supplies	550.00
Insurance	35.00
School Committee	65.00
Supervision	463.44
Office Secretary	200.00
Transportation special	306.00
	18,996.20

Anticipated Revenues

State School Fund	2,800.00
Balance 1955	486.53
Tuition refund	200.00
Transportation refund	306.00
	3,792.53
Recommended appropriation	15,200.00
Repairs and equipment	400.00

Explanations

Teaching

This coming year will mark the first full year of three teaching positions. This sum will enable us to

continue with the present grade distribution, meet existing salaries, and make adjustments in salaries.

Fuel

This is the same figure as the amount raised at last town meeting.

Conveyance and Janitor

We are recommending a separation of the janitor position from the bus contract. Some adjustment should be forthcoming from the bus contract.

Textbooks

This sum will enable us to continue the usual book turnover and additions of new volumes.

Supplies

This is the same request as last year's budget item. Jantior's supplies, school paper, workbooks, light bills, etc. are covered under this item.

Insurance

This is a liability insurance carried by the department each year.

Tuition

This is based on students attending high school and a special grade school. The sharp rise in tuition rates at the high school level is reflected into the overall budget.

Supervision and Office Secretary

These sums defray the cost of superintendent's salary and a proportionate cost of clerical help in the superintendent's office.

Respectfully submitted,

KEITH L. CROCKETT,
Superintendent of Schools

Report of Public Health Nurse

1955

Public Health Nursing in Cushing has again during the past year been directed towards meeting community needs. Since the public health nurse is only one of the health team, I wish to acknowledge the joint services of physician, local leaders, school personnel and health committee members. Also without the cooperation of the families we serve, health needs could not be met.

I should like to repeat for you the three objectives of all sound community health programs and those being followed in Cushing, namely: Promotion of health—Prevention of disease—Early detection and correction of physical defects in individuals.

The nurse has made monthly visits into your town working with mothers in the homes, with teachers and superintendent in the school health program and with physicians and health committee women at clinics.

Some results of the year's health services are enumerated as follows:

Home visiting has been done extensively throughout the year. In addition to the usual health supervisory visits, a number of specific health problems have been dealt with successfully because of the excellent cooperation of parents, physicians, members of the health committee and available state services. Some of these difficulties which are no longer health problems have been nutritional and emotional, orthopedic and medical. A suspected heart patient has been placed under the care of a specialist and tuberculosis contacts have had follow-up. Assistance was given for getting a child into Pine Tree Camp for the summer and who is now benefiting from a special education class.

The usual immunizations were offered resulting in twenty-one children receiving the complete series for diphtheria, tetanus, and whooping cough, two having had smallpox vaccinations. Twenty-six children in gardes one, four, and eight were examined at school by Dr. Benson. Several of these are to have tonsil operations soon.

Twenty-eight children in various grades were given hearing tests by the nurse. For this a new Puretone audiometer was borrowed. It is anticipated that soon a similar machine will be the property of this school union. This will be an effective tool in finding hearing defects early since children in the first grades may now be accurately tested, here-to-fore not possible. Some of the children already tested need retesting but which cannot be done until a machine is available.

In the new polio immunization program started this past year ten children in grades one and two received two protective inoculations. During 1956 a much larger group will be offered the same protection. Before long polio should be eliminated as diphtheria appears to be. A new bulletin from Augusta has just reported that Maine has not had a single case of diphtheria during the past two years.

This is quite different from reports prior to the beginning of immunization.

I believe this review of our health program in Cushing shows that everyone is interested in obtaining good health for all its citizens. I am happy to have worked with you all another year.

MRS. ADA W. AMES
Public Health Nurse
Department of Health and Welfare

Report of Assessors

To the taxpayers of the Town of Cushing for the year 1955

LIST OF PROPERTY

at its just value in the Town of Cushing, County of Knox, for the year 1955, made for return to the Bureau of Taxation as required by law. No. of polls taxes 119. No. of polls not taxed 25.

Town Warrant

To Kenneth Wilson, a constable of the Town of Cushing in the County of Knox:

GREETINGS:

In the name of the State of Maine you are required to notify and warn the inhabitants of said town of Cushing qualified by law to vote in town affairs to assemble at the Grange Hall on the 19th day of March, A.D. 1956, at seven o'clock in the evening to act on the following articles, to wit:

Article (1) To choose a moderator to preside at said meeting.

Article (2) To choose a town Clerk for the ensuing year.

Article (3) To act on the report of the Municipal officers.

Article (4) To choose one Selectman, one Assessor, a Treasurer and Overseers of the poor.

Article (5) To choose a member of the School Committee for three years.

Article (6) To choose one or more Road Commissioners.

Article (7) To choose a Tax Collector and vote the compensation.

Article (8) To choose a Civil Defense Director.

Article (9) To choose all other necessary town officers.

Article (10) To see what sums of money the Town will vote to raise and appropriate for the following purposes.

(a) For Schools, including teaching, fuel, conveyance, tuition, textbooks, supplies, insurance, school committee, supervision, and office secretary.

(b) For the repairs of Roads and Bridges.

(c) For the Support of the Poor.

(d) For Aid to Dependent Children.

(e) For Snow Removal.

(f) For the repairs of School Building.

(g) For Town Officers.

(h) For Incidentals.

(i) Fires.

Article (11) To see what sum the town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 44, 49 or 50, Chap. 23, R.S. 1954, as amended.

Article (12) To see if the town will raise and appropriate $50.00 for public health nursing in Cushing. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Article (13) To see if the Town will vote to raise and appropriate the sum of ten dollars ($10.00) to decorate the graves of war veterans in the town of Cushing on Memorial Day.

Article (14) To see what sum the town will vote to pay for the collection of the excise tax.

Article (15) To see if the Town will vote to authorize the selectmen in behalf of the town to sell and dispose of any real estate acquired by the town for the non-payment of taxes thereon at such terms as they may deem advisable, and execute quit claim deeds for same.

Article (16) To see if the town will vote to authorize the selectmen and treasurer to hire money necessary for town expenses in anticipation of taxes.

Article (17) To see whether or not the town will vote to raise and appropriate the sum of Twenty-five Dollars ($25.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91, Section 108, of the Revised Statutes of 1954.

Article (18) To see if the town will raise and appropriate the sum of sixty dollars ($60.00) for examination of school children.

Article (19) To see if the town will vote to raise and appropriate Two thousand, two hundred, forty-six dollars and sixty-nine cents ($2,246.69) for the fourth payment on the new school building due prior to the first day of December 1956.

Article (20) To see if the Town will vote to raise and appropriate the sum of one hundred thirteen dollars and no cents ($113.00) for the Knox County General Hospital.

Article (21) To see what action the town will take on the reports of the fire engine and the building code committees.

Article (22) To see what sum of money the town will vote to raise and appropriate to carry on the improvement of Stones Point road, widening, graveling, and tarring the road as far as whatever funds that are appropriated will allow.

Article (23) To see if the Town will appropriate money to complete town road at Pleasant Point.

Article (24) To see if the town will vote to join with the towns of **Thomaston, Friendship, and Warren** to form a community school district to be known as **"Georges Valley Community School District."**

Article (25) To see if the town will vote that the district be authorized to acquire and hold property of a value not in excess of **$400,000** for the purpose of operating **an area high school.**

Article (26) To see if the town will vote to authorize said community school district from time to time to borrow money and to issue its bonds and notes therefor in an amount not in excess of **$400,000** outstanding at any one time, exclusive of refundings, for the purpose of acquiring land, constructing and equipping a community school building, or buildings, and related recreational and athletic facilities and for other purposes of the district.

Article (27) To see if the Town will raise and appropriate a sum of money to repair roof and do other necessary work on town building (snow fence storage), and paint trim on Town House. (Estimated Cost $200.00)

Article (28) To see if the Town will vote to raise and appropriate the sum of $200.00 for Civil Defense.

Article (29) To see what action the Town will take in regard to the Broad Cove School being used for Civil Defense and other Town purposes.

Article (30) To see what action, if any, the Town will take in regards to rubbish disposal.

Article (31) To see what sum of money the Town will vote to raise to support industrial development in Knox County through the efforts of the Knox County Industrial and Development Association and how the same shall be raised.

Article (32) To see if the Town will vote to raise and appropriate the sum of $300.00 for new snow removal equipmnt.

The Selectmen give notice that they will be in session for the purpose of revising and correcting the list of voters at the Grange Hall at six o'clock in the evening of the day of said meeting.

Given under our hands this 11th day of February, 1956.

Auditor's Report

Board of Selectmen
Cushing, Maine

Dear Sirs:

I have examined the balance sheet of the Town of Cushing as of January 15, 1957, and the related statement of surplus for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records, and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the accompanying balance sheet and statement of surplus present fairly the financial position of the Town of Cushing as at January 15, 1957, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistant with that of the previous year.

Very truly yours,

RONALD J. RAYER
Auditor

Report of the School Department

To the Superintending School Committee and Citizens of Cushing:

I am submitting to you my fifth annual report as your Superintendent of Schools.

When school opened in September, 11 new pupils had swelled the enrollment to 83 with the following grade numbers: SP-11, Gr. 1-10 Gr.2-12,Gr.3-9, Gr.4-9, Gr. 5-10, Gr. 6-9, Gr. 7-6, and Gr. 8-4. Mr. Conners, Mrs. Stone, and Mrs. Burton returned as instructors for the year with the same grade distributions. I am happy to report that under their guidance and supervision suitable pupil growth and progress has been noted.

As in the past, the Cushing Town Club has been interested in worthy school projects. This past year the Club paid a proportionate share of the cost for an audiometer which has been successfully used to test the hearing of the children at school.

Early in December the possibility of steps toward an area high school became most remote. In view of the fact our potential high school population is increasing this problem will be one which merits attention. I trust the neighboring towns will be able to accommodate our high school boys and girls for some years to come. Should it be necessary to exclude them, because of lack of space, it could mean a lost opportunity for some. In any event an increase in tuition costs is apparent throughout the coming years.

Your 1957 school budget reflects an increase over the previous year. This increase is due largely to the

following factors: (1) Salaries of teaching personnel (2) An increase in tuition costs because of increased rates per student and increased numbers attending high school. Some part of the increases in the 1957 budget is cushioned by an increase anticipated from State Funds. At the completion of the financial report will be found an itemized account of the anticipated 1957 budget.

I wish to thank, at this time, the Superintending School Committee for its fine co-operation of the past year. I should also like to thank all who have in any measure contributed to the success of the past school year.

Respectfully submitted,

KEITH L. CROCKETT
Superintendent of Schools

Recommended School Budget for 1957

To the Citizens of Cushing:

I am presenting, herewith, for your consideration the proposed school budget for the fiscal year 1957 covering anticipated revenues, anticipated expenditures, and the anticipated amount to be raised by taxes for school purposes.

Anticipated Expenditures

Teaching	$ 8,975.00
Janitor	450.00
Fuel	550.00
Conveyance	2,515.00
Tuition	6,476.00
Textbooks	400.00
Supplies	750.00
Insurance	35.00
School Committee	65.00
Supervision	508.50
Secretary	200.00
Transportation special	378.00
	21,302.00

Anticipated Revenues

Balance 1956	863.49
State School Fund	3,800.00
Special refund	500.00
	5,163.49
Recommended appropriation	16,139.00
Repairs and equipment	500.00

Respectfully submitted,

KEITH L. CROCKETT
Superintendent of Schools

Report of Public Health Nurse

1956

The health program in Cushing has again been geared to improve the health of as many as possible in the community through preventive programs and teaching. Nursing visits in the homes resulted in a number of referrals to physicians and clinics for specific health problems besides the usual health teaching of nutrition and good health practices.

Poliomyelitis prevention by the administration of Salk vaccine has become a "must" in our program planning. Clinics in February and June were held for children in all the grades. Infants and pre-school children received two doses during July and August at child health conferences at which time a number of school children were included. Third or booster doses are now available and plans are underway for giving these in the new year. Seventy-four have received two doses at clinics.

Dr. Benson examined students in grades one, four and eight in addition to examining young children at child health conferences and giving all the immunizations. The yearly booster immunizations were given at school in April for diptheria and tetanus as well as smallpox vaccinations.

Teacher-nurse conferences for understanding and helping with spcific health needs of school children have brought about corrections in some instances.

The health committee has continued to give every possible assistance with the program. Several members took time out of busy schedules to attend the an-

nual district meeting of health councils held at Warren this year. They plan to give hearing tests at school soon using the new Beltone audiometer.

It has been a most satisfying experience to have worked in Cushing another year.

MRS. ADA W. AMES
Public Health Nurse
Dept. of Health and Welfare

Report of Assessors

To the taxpayers of the Town of Cushing for the year 1956.

LIST OF PROPERTY

at its just value in the Town of Cushing, County of Knox, for the year 1956, made for return to the Bureau of Taxation as required by law. No. of polls taxed 129. No. of polls not taxed 23.

REPORT OF KNOX COUNTY INDUSTRIAL AND DEVELOPMENT ASSOCIATION

To The Taxpayers:

This year we feel additional funds should **not** come from Community tax budgets as last year. The success of the organization during the next fiscal year can only come from increased membership and individual assistance in the work ahead. Unless sufficient members from each Community see the profit to full participation in the work ahead of this Knox County Association then the Community cannot get the best local presentation of its services to new industrial needs.

We hope this first year's record of achievement and progress will be recommended for the active self-interest and the financial support of your civic minded taxpayers as an investment, not a contribution.

It is only by their participation that any such voluntary Association can succeed. Knox County communities cannot afford necessary development effort in any other way. Your Selectmen have applications for your membership.

H. L. HALTERMANN
President
Knox County Industrial and
Development Association

Town Warrant

To Kenneth Wilson, a constable of the Town of Cushing in the County of Knox:

GREETINGS:

In the name of the State of Maine you are required to notify and warn the inhabitants of said town of Cushing qualified by law to vote in town affairs to assemble at the Grange Hall on the 18th day of March, A. D. 1957, at seven o'clock in the evening to act on the following articles, to wit:

Article (1) To choose a moderator to preside at said meeting.

Article (2) To choose a Town Clerk for the ensuing year.

Article (3) To act on the report of the Municipal officers.

Article (4) To choose a Selectman for one year, a Selectman for three years, one Assessor, a Treasurer and two Overseers of the Poor.

Article (5) To choose a member of the School Committee for two years and a member of the School Committee for three years.

Article (6) To choose one or more Road Commissioners.

Article (7) To choose a Tax Collector and vote the compensation.

Article (8) To choose a Civil Defense Director.

Article (9) To choose all other necessary town officers.

Article (10) To see what sums of money the Town will vote to raise and appropriate for the following purposes.

(a) For Schools, tuition, textbooks, supplies, insurance, school committee, supervision, and office secretary.

Recommended $16,139.00

(b) For the repairs of Roads and Bridges.

Recommended $2,000.00 be taken from Excise Tax.

(c) For support of the Poor.

Recommended $800.00.

(d) For Aid to Dependent Children.

Recommended $425.00.

(e) For Snow Removal.

Recommended $1,800.00.

(f) For the repairs of School Buildings.

Recommended $400.00.

(g) For Town Officers.

Recommended $1,850.00.

(h) For Incidentals.

Recommended $1,100.00.

(i) Fires.

Recommended $200.00.

Article (11) To see what sum the town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 44, 49 or 50, Chapter 23, R.S. 1954, as amended.

Recommended $1,066.00.

Article (12) To see if the town will raise and appropriate $50.00 for public health nursing in Cushing. Said sum to be expended by the Maine Department of Health, for local services.

(13) To see what sum the town will vote to pay for the collection of the Excise Tax.

Recommended 25c per registration.

Article (14) To see if the Town will vote to authorize the Selectmen in behalf of the town to sell and dispose of any real estate acquired by the town for the non-payment of taxes thereon at such terms as they may deem advisable, and execute quit claim deeds for same.

Article (15) To see if the town will vote to authorize the Selectmen and Treasurer to hire money necessary for town expenses in anticipation of taxes.

Article (16) To see whether or not the town will vote to raise and appropriate the sum of Twenty-five Dollars ($25.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91, Section 108, of the Revised Statutes of 1954.

Article (17) To see what sum the town will vote to raise and appropriate for examination of school children.

Recommended $100.00.

Article (18) To see if the Town will vote to raise and appropriate the sum of ten dollars ($10.00) to decorate the graves of war veterans in the Town of Cushing on Memorial Day.

Recommended.

Article (19) To see if the town will vote to raise and appropriate One thousand seven hundred ninety-seven dollars and thirty-two cents ($1,797.32) for the fifth payment on the new school building due prior to the first day of December 1957.

Recommended.

Article (20) To see if the Town will vote to raise and appropriate the sum of one hundred thirteen dollars and no cents ($113.00) for the Knox County General Hospital.

Recommended.

Article (21) To see what action the town will take on the reports of the fire engine and the building code committees.

Article (22) To see what sum of money the town will vote to raise and appropriate to carry on the improvement of Stones Point road, widening, graveling, and tarring the road as far as whatever funds that are appropriated will allow.

Recommended money be taken from Town Road Improvement Fund.

Article (23) To see if the Town will raise and appropriate a sum of money to repair roof and do other necessary work on town building (snow fence storage), and paint trim on Town House.

Recommended $100.00.

Article (24) To see what sum the Town will vote to raise and appropriate for Civil Defense.

Recommended $50.00.

Article (25) To see what sum the Town will vote to raise and appropriate for snow removal equipment.

Recommended $500.00.

Article (26) To see if the Town will vote to accept the now existing Voluntary Fire Department.

Article (27) To see if the town will vote to authorize the selectmen to make available to the Voluntary Fire Department funds previously appropriated for Civil Defense to be used for both Civil Defense and Voluntary Fire Department.

Article (28) To see what sum of money the Town will raise and appropriate for Civil Defense and Voluntary Fire Department.

Not Recommended.

Article (29) To see if the Town will vote to accept the amount of One thousand two hundred dollars and no cents ($1,200.00) of which six hundred dollars and no cents ($600.00) has been received for perpetual care of the William Norton, Elijah Norton, Darius Norton, and Isaac Norton lots in the Norton Cemetery.

Article (30) To see if the Town will vote to accept the provisions of the Revised Statutes of 1954, Chapter 91, Sections 93-98, inclusive, and authorize and direct the board of selectmen to appoint the members of the planning boards and the board of appeals in accordance with the provisions of said sections.

The Selectmen give notice that they will be in session for the purpose of revising and correcting the list of voters at the Grange Hall at six o'clock in the evening of the day of said meeting.

Given under our hands this 18th day of February 1957.

Auditor's Report

The Board of Selectmen
Cushing, Maine

Dear Sirs:

I have examined the balance sheet of the Town of Cushing as of January 15, 1958, and the related statement of operations and surplus for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records, and such other auditing standards as I considered necessary in the circumstances. These standards meet the requirements of the State Auditor in all respects.

In my opinion, the accompanying balance sheet and statement of operations and surplus present fairly the financial position of the Town of Cushing as of January 15, 1958, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the previous year.

RONALD J. RAYER
Certified Public Accountant

Auditor's Comments

The Board of Selectmen
Cushing, Maine

Dear Sirs:

In connection with my examination of the accounts of the Town of Cushing as of January 15, 1958, I would like to offer the following suggestions for the improvement of the financial administration of the town:

1. The property tax commitment should exclude assessments on property owned by the town. The assessors should accordingly be asked to exclude such property from the rolls.

2. Expenditures should be better controlled, by requiring that the Treasurer make disbursements only in payment of properly supported invoices. In this way duplicate payments would be guarded against. One way to accomplish this is to adopt the use of a four part purchase order set. All purchases would be written up on a purchase order, one copy of which would later serve as a receiving report. This receiving report would thereupon substantiate the vendors invoice, and the Treasurer would make disbursements only upon the authority of the Selectmen's warrant supported by such properly completed purchase orders, vendors' invoices, and receiving reports.

3. All vendors' invoices, after payment, should be stamped paid, or otherwise cancelled, to avoid the danger of their being inadvertently mislaid, and later submitted for payment a second time.

4. Where purchases are made for accounts to be reimbursed by the State, duplicate invoices should be required from vendors, so that the Town may retain one copy for its files.

With the exceptions discussed above, the financial records of the Town were found to be in good order, and kept with neatness and accuracy.

Very truly yours,

RONALD J. RAYER

Report of School Department

To the Superintending School Committee and the Citizens of Cushing:

I am submitting to you my sixth annual report as your Superintendent of Schools.

When school opened in September Mrs. Margaret Ford was employed as principal and teacher of grades 6-7-8 to replace Mr. Conners who resigned to enter the teaching services of the U. S. Army. Mrs. Lucile Stone and Mrs. Clara Burton returned to resume their respective positions.

In September the following grade enrollments were noted.

SP	1	2	3	4	5	6	7	8
10	9	12	12	9	10	8	8	7

This past year the Maine Legislature passed a new act called the Sinclair Bill. This act will have far reaching effect educationally, on small communities all over Maine. In effect this act makes possible the combined efforts of several communities to provide better educational opportunities for boys and girls. Your School Committee is at the present exploring the possibilities of such an Administrative Unit nearby towns. It behoves you to learn all about the deliberations of these groups in order to decide what course you wish your town to take in this matter.

Your 1958 school budget shows little increase over net appropriations of last year. Tuition costs and increased salaries are somewhat offset by an increase in the State Fund. A greater number of boys and girls attending high school will reflect a greater cost in the future.

During the past school year several new desk and chair units were added in the upper grades. The usual repairs have been taken care of. A daylight screen has been purchased to make possible the showing of educational films during regular school hours.

I wish to take this opportunity to thank the Superintending School Comittee for its fine co-operation this past year. I should also like to thank any who has in any measure contributed to the success of this past school year.

Respectfully submitted,

KEITH L. CROCKETT
Superintendent of Schools

Public Health Nurse's Report For Year Ending Dec. 31, 1957

To The Townspeople In The Eleven Towns Served Cushing

Our environment is changing so rapidly and so drastically that our health, individually and collectively, demands a constant evaluation and revision of procedures for meeting community health needs. Health information must be a continuous process.

Preventive medicine, the heart of public health, represents a sound investment even in the face of rising costs. The life span has been lengthened by increased knowledge along many lines, but particularly through the use of new drugs and anti-biotics.

This year I am submitting a report combining the public health nurse activities for the eleven towns in which I serve. The same objectives and programs are carried throughout depending upon local needs, interest and co-operation of Health Committees and available resources and facilities.

The welfare of the children in our communities is one of the major interests from persons in the national, state and local levels.

The public health nurse assists in making state and national resources available to persons in need down to the smallest community. She assists in the spread of health information through home visits, finds and interests local persons to see specific health needs and gives directions to groups for meeting these community needs.

It has been recognized that the school is as much responsible for the preservation of the child's health and physical well being as it is in the guidance and training of his mental capacities. This results in a

number of various activities such as school health examinations, yearly immunization clinics against smallpox, diptheria, tetanus and whooping cough, and more recently, polio which is now on the run along with these other diseases. Defective hearing has prevented some children in every community from keeping up scholastically and in marked cases has resulted in these individuals becoming socially maladapted for life. The pure-tone audiometer is now available for accurate individual testing at school and this now being used in Owls Head, South Thomaston, St. George, Friendship, Cushing, Union and Rockport. The three superintendents for these towns have obtained funds and purchased audiometers for their school unions. Others are known to be in the process of doing the same. Teachers are responsible for vision testing but with large classes and increased demands upon them, many are asking for needed help. Union has this year purchased a very practical vision testing machine which should prove to be a very valuable piece of school equipment.

In addition to these school health programs and the follow-up needed on all those indicating a need for medical referral, the nurse has continued other routine duties such as home visits in all eleven towns for the health supervision of infants and other members of families who have specific problems, such as tuberculosis, various deformities, cancer, and health problems related to mental health and to the aged. The nurse assists at clinics in Rockland which are held four times a year for crippled children in a wide area, and at two chest x-ray clinics for the follow-up of tuberculosis contacts and suspects. Doctors, hospitals, sanatoria are frequently contacted as well as other agencies interested in the health and welfare of individuals. Accurate records must be kept and reports written.

Since no nurse could possibly carry out efficiently all of these programs by herself, a great deal is carried out by persons in each town who volunteer to work in their community as Health Councils or Committees. Organizational and planning meetings are held with the nurse who is at all times available for advice on major policy dicisions and support in each specific activity. Demonstrations and teaching is given to members of these committees and to teachers who are giving audiometer and vision tests.

The nurse will have contacted the six superintendents in the area for his approval in each and all anticipated programs within the school. Each Health Committee chairman appoints sub-chairmen who are willing to be responsible for some phase of the school or pre-school health program.

St. George and Hope opened new schools this year. With central schools and adequate facilities for conducting health programs in practically every town now, the potential health of the school child has been greatly improved. Nutritionally, hot lunch programs have in many instances improved scholastic grades through better nutrition. Finding physical defects earlier has resulted in children being helped sooner. Selectmen in Appleton have built a new clinic room with equipment. This has made it possible to start school physical examinations as well as greatly increasing interest and efficiency in conducting both school and pre-school programs.

Our efforts to eliminate polio as quickly as possible has resulted in much time and effort on the part of all who participated in this program. State policies regarding the availability of vaccine have changed repeatedly requiring changes in local program planning but state vaccine has been used extensively in all of the towns for those up to twenty years of age, including

a small number of pregnant women whose doctors authorized shots at our clinics. Thousands of dollars from state and federal funds have been spent for vaccine used in our towns for this program. The following totals indicate the number under twenty years of age who have completed third polio immunizations at clinics in this area:

Appleton—148
Hope—76
St. George—268
Union—220
Cushing—55
Owls Head—170
South Thomaston—117
Washington—148
Friendship—104
Rockport—312
Somerville—31

There are others who have not completed the full series. Many have been done by family physicians. Still others need firsts, particularly the very young and late teen-agers. Free polio vaccine from the state will expire in February hence plans have been started to make this available to these groups during January and February.

All towns but one have had adult polio clinics. The public health nurse has assisted chiefly by loaning equipment and giving advice when asked.

In all our community planning we must not forget that the home is still the cornerstone of our society. As long as we have children and families making up communities there will always be the challenge for the forward look in maintaining high standards of health and healthful living conditions for all. This is our opportunity for continued support and endeavor.

Assessors of Cushing

Town Warrant

To Kenneth Wilson, a constable of the Town of Cushing in the County of Knox:

GREETINGS:

In the name of the State of Maine you are required to notify and warn the inhabitants of said town of Cushing qualified by law to vote in town affairs to assemble at the Grange Hall on the 17th day of March A. D. 1958, at seven o'clock in the evening to act on the following articles, to wit:

Article (1) To elect a moderator to preside at said meeting.

Article (2) To elect a Town Clerk for the ensuing year.

Article (3) To act on the report of the Municipal Officers.

Article (4) To elect a Selectman for three years.

Article (5) To elect an Assessor for three years.

Article (6) To elect an Overseer of the Poor for three years.

Article (7) To elect a Treasurer for one year.

Article (8) To elect a member of the School Committee for three years.

Article (9) To elect one or more Road Commissioners.

Article (10) To elect a Tax Collector and vote the compensation.

Recommended 2%

Article (11) To elect all other necessary town officers.

Article (12) To see what sums of money the Town will vote to raise and appropriate for the following purposes.

(a) For School Maintenance
Recommended $16,468.00

(b) For the repairs of School Building
Recommended $600.00

(c) For the repairs of Roads and Bridges.
Recommended $2,000 be taken from Excise Tax.

(d) For Snow Removal
Recommended $1,800.00

(e) For support of the Poor
Recommended $800.00

(f) For aid to Dependent Children
Recommended $350.00

(g) For Town Officers
Recommended $2,000.00

(h) Incidentals
Recommended $1,200.00

(i) Fires
Recommended $400.00

Article (13) To see what sum the town will raise and appropriate for State Aid road construction (in

addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 44, 49 or 50, Chapter 23, R. S. 1954, as amended.

Recommended $1,066.00

Article (14) To see if the town will raise and appropriate $50.00 for public health nursing in Cushing. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Recommended $50.00

Article (15) To see what sum the town will vote to pay for the collection of the Excise Tax.

Recommended 25c per registration

Article (16) To see if the town will vote to authorize the Selectmen in behalf of the town to sell and dispose of any real estate acquired by the town for the non-payment of taxes thereon at such terms as they may deem advisable, and execute quit claim deeds for same.

Recommended

Article (17) To see if the town will vote to authorize the Selectmen and the Treasurer to hire money necessary for town expenses in anticipation of taxes.

Recommended

Article (18) To see whether or not the town will vote to raise and appropriate the sum of Twenty-five Dollars ($25.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and atttractions of

the State of Maine in accordance with the provisions of Chapter 91, Section 108, of the Revised Statutes of 1954.

Recommended $25.00

Article (19) To see what sum the town will vote to raise and appropriate for examination of school children.

Recommended $100.00

Article (20) To see if the town will vote to raise and appropriate Two thousand forty-one dollars and sixteen cents ($2,041.16) for the sixth payment on the new school building due prior to the first day of December 1958.

Recommended

Article (21) To see if the town will vote to raise and appropriate the sum of one hundred thirteen dollars and no cents ($113.00) for the Knox County General Hospital.

Recommended

Article (22) To see what sum of money the town will vote to raise and appropriate to carry on the improvement of Stone's Point Road, widening, graveling, and tarring the road as far as whatever funds that are appropriated will allow.

Recommended money be taken from Town Road Improvement Fund.

Article (23) To see if the Town will raise and appropriate a sum of money to make necessary repairs on town buildings.

Recommended $125.00

Article (24) To see what sum the Town will vote to raise and appropriate for a town truck and snow removal equipment.

Recommended $1,800.00 to be taken from Surplus.

Article (25) To see what sum of money the Town will vote to raise to support industrial development in Knox County through the efforts of the Knox County Industrial and Development Association and how the same shall be raised.

Recommended $50.00

Article (26) To see if the Town will vote to close the clam flats to all non-resident digging of clams, quahogs and mussels, and to authorize the Selectmen to regulate laws pertaining to Section 49 Chapter 38, Revised Statutes of 1954.

Article (27) To see if the Town will vote to include the names of the town poor in its annual report.

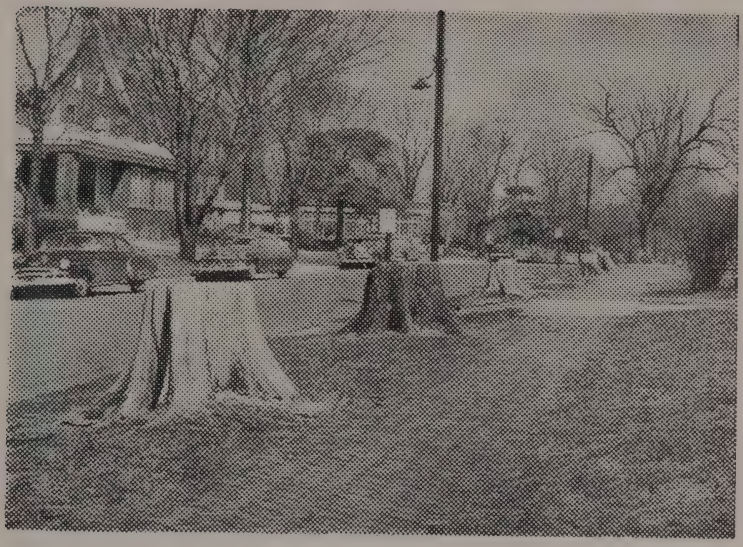

The Selectmen give notice that they will be in session for the purpose of revising and correcting the list of voters at the Grange Hall at six o'clock in the evening of the day of said meeting.

Given under our hands this 18th day of February, 1958.

Overseers of Poor

Auditor's Report

January 31, 1959

The Board of Selectmen
Cushing, Maine
Dear Sirs:

I have examined the balance sheet of the Town of Cushing as at January 15, 1959, and the related statements of operations and surplus for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records, and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the accompanying balance sheet and statements of operations and surplus present fairly the financial position of the Town of Cushing as at January 15, 1959, and the results of its operations for the year then ended, in comformity with generally accepted accounting principles applied on a basis consistent with that of the previous year.

RONALD J. RAYER
Certified Public Accountant

Cushing, Maine

Report of Superintendent of Schools

To the Superintending School Committee and Citizens of Cushing:

I am submitting to you my first annual report as your Superintendent of Schools.

The school enrollment by grades as of September 2, 1958 were noted:

Grade	SP	1	2	3	4	5	6	7	8	Total
Pupil	10	12	10	12	14	9	10	9	9	95

The enrollment per classroom is reaching a critical point. The rooms were designed for a class of 25 to 30 students. Children in excess of 30 to a classroom multiplies the difficulties of teaching. The building is overcrowded and at present presents a housing problem for your children. Should the town undergo the addition of more rooms or should the town join an Administrative District? It is my recommendation that the town seek out every opportunity to join a District! The town has a great deal to gain by joining a District. The present housing problem could be disposed of by having children of the 7th and 8th grades attend a Junior High School in the District. It is the only way that Cushing will have a High School with all students (Elementary and Secondary) conveyed to school. But the vital point is that the program of instruction would be improved as children would have the benefit of special teachers and specialized facilities.

The State Administrative School District Commission has approved the plan whereby five towns; Cushing, Thomaston, St. George, Warren and Rockport, or any of

these towns may receive the recommendation of the Commission if they at a town meeting supply an affirmative vote showing that they positively do want to gain admittance to District No. 5, which is presently made up of Rockland, Owls Head and South Thomaston. The purpose for this arrangement is to allow each town to demonstrate that it as a town does desire entry into District No. 5. If one town votes in the negative it's name will be dropped from the list of recommended towns when the bill is presented to the Legislature thereby losing its chance to gain admittance to the District at this time. The purpose of doing it in this manner is to protect towns genuinely interested in joining District No. 5 from losing their chance of admittance by a negative vote from a disinterested town and then losing chance of entrance because some town voting it down.

Early in this school year sixteen new desk and chair units were added to those already in the upper grades. That was eight more than planned, but due to an increase enrollment it became obvious that they would be needed, and they were purchased making an overdraft in the Repairs and Equipment account of $137.26. This was balanced off by the Selectmen transferring that amount from the surplus account.

This next year more desks and chairs will be needed because of increased enrollment and also to replace others. The sun-shade is scheduled to be repainted and for these reasons we have increased the amount needed for repairs and equipment.

Your 1959 School Budget shows an increase over last year for several reasons. First there has been a marked increase in the cost to the town for tuition. Secondly, costs of school materials have risen. Third, the enrollment is approximately 20 students more than last year.

On behalf of Supt. Crockett and myself, I wish to thank the Superintending School Committee for its fine co-operation this past year. I should also like to thank all who in anyway has contributed to the success of this past school year.

Respectfully submitted,

NORMAN W. MOULTON
Superintendent of Schools

Tuition	10,000.00	
Textbooks	600.00	
Supplies	900.00	
Insurance	50.00	
School Committee	65.00	
Supervision	508.00	
Secretary	300.00	
		$27,163.00

Anticipated Revenue

Balance 1958	$ 1,669.35	
State Fund	7,000.00	
		$ 8,669.35
Appropriation needed		18,493.65

Repair and Equipment Account

Appropriation needed	$ 1,000.00

1958 Annual Report of the Public Health Nurse for Cushing

Communities are routinely appropriating and supporting the public health nursing services since, I believe the people see the benefits of these health services to all persons in the community.

The objectives of health services remain the same, that of preventing disease and defects in so far as possible, improving the health of individuals, and assisting those with health problems in getting the help they need.

Throughout the year the public health nurse has visited in the homes, in the school, worked in clinics, and met with Health Committee members planning community health programs. In health guidance service, the nurse worked closely with physicians, social workers, teachers, and other professional personnel in analyzing and planning for the family health needs.

With the co-operation of parents, health committee members, and school personnel, we have completed our objectives another year.

Three Child Health Conferences were held with a total of forty-five infants and pre-school children. One immunization clinic was held. Forty-one children received completed immunizations for diphtheria, tetanus, whooping cough, polio, and smallpox. Students in grades

one, four, and eight were examined by Dr. Benson and urinalysis for sugar was offered. Mrs. Saastamoinen tested the hearing of students in four grades again this year using the audiometer. The nurse has been thus able to find those with hearing loss more quickly for remedial follow-up.

I appreciate all the co-operation received again this year.

MRS. ADA W. AMES
Public Health Nurse
Department of Health and Welfare

Report of Assessors

To the taxpayers of the Town of Cushing for the year 1958.

LIST OF PROPERTY

at its just value of the Town of Cushing, County of Knox, for the year of 1958, made for return to the Bureau of Taxation as required by law. No. of polls taxed 133. No. of polls not taxed 24.

Town Warrant

To Kenneth Wilson, a constable of the Town of Cushing in the County of Knox:

GREETINGS:

In the name of the State of Maine you are required to notify and warn the inhabitants of said town of Cushing qualified by law to vote in town affairs to assemble at the Acorn Grange Hall on the 16th day of March 1959 A. D., at seven o'clock in the evening to act on the following articles, to wit:

Article (1) To elect a moderator to preside at said meeting.

Article (2) To elect a Town Clerk for the ensuing year.

Article (3) To act on the report of the Municipal Officers.

Article (4) To elect a Selectman for three years.

Article (5) To elect a Selectman for one year.

Article (6) To elect an Assessor for three years.

Article (7) To elect an Overseer of the Poor for three years.

Article (8) To elect a Treasurer for one year.

Article (9) To elect a member of the School Committee for three years.

Article (10) To elect one or more Road Commissioners.

Article (11) To elect a Tax Collector and vote the compensation.

Recommended 2%

Article (12) To elect all other necessary town officers.

Article (13) To see what sums of money the Town will vote to raise and appropriate for the following purposes.

(a) For School Maintenance
Recommended $18,493.65

(b) For the repairs of School Building
Recommended $1,000.00

(c) For the Repairs of Roads and Bridges
Recommended $2,000.00 to be taken from Excise Tax

(d) For Snow Removal
Recommended $1,800.00

(e) For support of the Poor
Recommended $700.00

(f) For aid to Dependent Children
Recommended $350.00

(g) For Town Officers
Recommended $2,000.00

(h) Incidentals
Recommended $1,200.00

(i) Fires
Recommended $400.00

(j) Revision of Assessors Records
Recommended $400.00 to be taken from Excise Tax

Article (14) To see what sum the Town will raise and appropriate for State Aid Road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 44, 49 and 50, Chapter 23, R. S. 1954, as amended.

Recommended $1,066.00

Article (15) To see if the Town will raise and appropriate $75.00 for public health nursing in Cushing. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Recommended

Article (16) To see what sum the Town will vote to pay for the collection of the Excise Tax.

Recommended 25¢ per registration.

Article (17) To see if the Town will vote to authorize the Selectmen in behalf of the Town to sell and dispose of any real estate acquired by the Town for nonpayment of taxes thereon at such terms as they may deem advisable, and execute quit claim deeds for the same.

Recommended

Article (18) To see whether or not the Town will vote to raise and appropriate the sum of Fifty Dollars ($50.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91, Section 108, of the Revised Statutes of 1954.

Recommended

Article (19) To see what sum the Town will vote to raise and apppropriate for the examination of school children.

Recommended $100.00

Article (20) To see if the Town will vote to raise and appropriate two thousand thirteen dollars and seventy two cents ($2,013.72) for the seventh payment on the school building, due prior to the first day of December 1959.

Recommended

Article (21) To see if the Town will vote to raise and appropriate the sum of one hundred thirteen dollars and no cents ($113.00) for the Knox County General Hospital.

Recommended

Article (22) To see what sum of money the Town will vote to raise and appropriate to carry on the improvement of the Stone's Point Road, consisting of widening and graveling the road as far as whatever funds that are appropriated will allow.

Recommended money be taken from the Town Road Improvement Fund

Article (23) To see if the Town will raise and appropriate a sum of money to make necessary repairs on town buildings.

Recommended $425.00 to be taken from the Surplus Account

Article (24) To see if the Town will vote to accept the provisions of Chapter 90A, Revised Statutes of 1954, Sections 61-63, inclusive, as amended in 1957, and authorize and direct the board of selectmen to appoint the members of the planning board and the board of appeals in accordance with the provisions of the sections.

Recommended

Article (25) To see what sum, if any, the Town will vote to raise and appropriate for municipal planning.

Recommended $75.00

Article (26) To see if the Town will vote to accept the provisions of Chapter 90A, Revised Statutes of 1954, Section 64, as amended in 1957, for the purpose of forming a regional planning commission.

Recommended

Article (27) To see what sum, if any, the Town will vote to raise and appropriate for its share of the support of a regional planning commission.

Not Recommended

Article (28) To see if the Town will vote to raise and appropriate Fifty Dollars ($50.00) for its membership support of the Knox County Industrial and Development Association.

Recommended

Article (29) To see what sum of money the Town will raise and appropriate for Fire Fighting Equipment.

Recommended $500

Article (30) To see if the Town will vote to authorize the Civil Defense to use its now existing funds for the Volunteer Fire Department.

Recommended

Article (31) To see if the Town will vote to include the name of the town poor in its annual report.

Recommended

The Selectmen give notice that they will be in session for the purpose of revising and correcting the list of voters at the Acorn Grange Hall at six o'clock in the evening of the day of said meeting.

Given under our hands this 27th day of February, 1959.
